Our Services (Discord Application and Website: "Service", "Our Services", "Application", "Website"

Introduction

Welcome to Designy. We are committed to protecting your personal information and your right to privacy. If you have any questions or concerns about our policy, or our practices with regards to your personal information, please contact us at legal@designybot.xyz

When you visit our [website](#) and use our discord bot, you trust us with your personal information. We take your privacy very seriously. In this privacy policy, we describe our privacy policy. We seek to explain to you in the clearest way possible what information we collect, how we use it, and what rights you have in relation to it. We hope you take some time to read through it carefully, as it is important. If there are any terms in this privacy policy that you do not agree with, please discontinue use of our Sites and our services.

This privacy policy applies to all information collected through our website (such as www.designybot.xyz), and our discord bot (addressed as "Service", "Bot", "Application", "Website" .)

1. What Information Do We Collect?

We collect information based on a certain Service:

- A. Our Application (discord bot) collects information that includes but isn't limited to:
 - a. All users from your guild.
 - b. Your channels and categories
 - c. Guild information (Guild ID, Name, and Icon)
 - d. All the services above will be stored in a database, the database will store the information until you kick Designy from your Guild or your request the information to be deleted.

2. How Do We Use Your Information?

We use your information for your benefit. We ensure that you are always safe, we save our data behind a secure database. We use your information for the following which includes but is not limited to:

- Save all infraction logs per guild.
- Save all order logs per guild.
- Save your user data for our dashboard.
- To ensure premium quality.
- To send infraction logs when requested.

3. Will Your Information Be Shared with Anyone?

We only share your information when absolutely necessary. The only person with access to our database is the CEO, tate.b, but the database information can individually be accessed by discord commands, the only information that is able to be accessed was:

- Infraction Logs
- Order Logging

Our CEO has access to all database stored information, this includes but is not limited to:

- Login information
- Social media information
- Infraction logs
- Order logs
- Service logs

4. Do We Use Cookies and Other Tracking Technologies?

We may use cookies and similar tracking technologies (like web beacons and pixels) to access or store information, such as your login token from your browser to save your login when you open the website. We may store other information, it is not limited to your login token.

5. How Do We Handle Your Social Logins?

When you login with Discord, we store the servers you are in and other information shown in Section 1.

6. How Long Do We Keep Your Information?

We keep your information stored in the database until you request the data is removed or you kick Designy from your guild.

7. How Do We Keep Your Information Safe?

We aim to protect your personal information through a system of organizational and technical security measures.

8. Do We Collect Information from Minors?

We do not knowingly solicit data from or market to children under 13 years of age. If you are a parent or guardian of a minor under 13 who is using Designy, contact us in our support server as soon as possible.

9. What Are Your Privacy Rights?

In some regions (like the European Economic Area), you have rights that allow you greater access to and control over your personal information. You may review, change, or terminate your account at any time. If you need to, please contact us in our support server.

10. Controls for Do-Not-Track Features

Most web browsers and some mobile operating systems and mobile applications include a Do-Not-Track ("DNT") feature or setting you can activate to signal your privacy preference not to have data about your online browsing activities monitored and collected.

11. Do California Residents Have Specific Privacy Rights?

Yes, if you are a resident of California, you are granted specific rights regarding access to your personal information.

12. Do We Make Updates to This Policy?

Yes, we will update this policy as necessary to stay compliant with relevant laws. We suggest that you check our privacy policy each time you access the website. If we make major changes, we will temporarily post it on our website.

13. How Can You Contact Us About This Policy?

If you have questions or comments about this policy, you can contact us through a support ticket on our server or request our address for postal correspondence.
